

L2 Business Enrolment Preparatory Work

Purpose	<p>One of the first things that we will be looking at in September will be to understand the purpose and ownership of businesses</p> <p>You are to follow the tasks below using one of the areas choosing from Southampton, Eastleigh or Fareham as your 'local area' (not smaller villages such as Hedge End)</p>
Tasks	<p>To get you thinking about this you are to:</p> <ol style="list-style-type: none"><li data-bbox="188 909 341 1032">1. Identify (name) manufacturing businesses in the local area. (i.e. some sort of factory which processes materials to make something)<li data-bbox="188 1043 341 1256">2. Identify (name) retail businesses in the local area (businesses selling goods to other businesses or individuals). Within this category try to identify which of those belong to a chain (i.e. have multiple outlets) and those which are independents (one offs)<li data-bbox="188 1267 341 1525">3. Identify (name) the services in the local area (offering a service to other businesses or to individuals). Within this category try to sub-divide this further by deciding if they are "Public" services (government funded), or "Private" services (those businesses who charge for their services with the aim of making a profit)<li data-bbox="188 1536 341 1615">4. Identify any charities in the local area. <p><u>Extension Task</u></p> <p>Using different colours to identify each of the businesses you have found, place them on a map of the area (you could use Google maps for this). Remember to provide a key for your map.</p>
